NEW DANCERS ARE ALWAYS WELCOME. LEARN AS YOU DANCE,
ATTEND WHEN YOU CAN AND HAVE FUN EVERY TIME. GREAT FUN,
FITNESS AND FRIENDSHIP.

ABC Squares is a series of three different Square Dance Parties. Each dance is slightly different, yet each dance is a stand-alone. Newcomers are constantly welcome, and returnees get a slightly different dance than they got last time. After someone has danced all three dances in any order, they become experienced ABC dancers and can attend the full ABC Squares dances.

The March 9th dance is an A dance, the March 23rd dance is a B dance and the next one will be a C dance. Future dances will be scheduled and announced soon. Full ABC Squares dances will also be scheduled and announced soon.
